books, along with their Bugs, and Bugtopia's Lands began to fall apart.

It was not an easy task for the Guardians to coordinate Bugs across the four Lands to help with rescue operations. Thankfully, with the Rescuers' reading efforts, the stories and Bugs have been restored. Peace has finally returned to Bugtopia. Fortunately for all, The End Bug's actions did not cause any permanent damage, and he has learnt his lesson.

Finally understanding his importance, The End Bug now knows that he does belong, and that his purpose is to bring an end to stories at the right time.
