

SAMUDERA – A REALM OF ICE AND ILLUSION

Towering above this snow-covered landscape is Castle Verglas...

...and off the coast, the bustling underwater city of Arialta.

Pranksters and magicians, the Bugs of Samudera are known to disappear from time to time...

How much deeper into the Mirror Mountains are we going?

Oooh, my aching feelers!

...but never so many, or for so long.

Who's that?

It's him! The End Bug!

Oh no! He's getting away!

To be continued...
