

Holiday Specials: Our Community

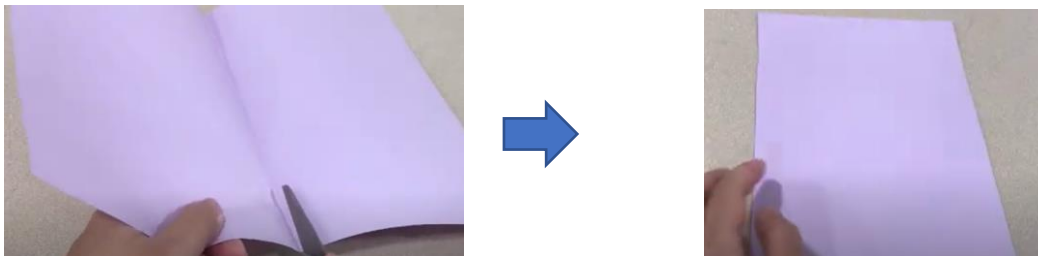

Materials needed:

- 2 pieces of A4 sized construction paper
- Scissors
- Glue
- Pencil
- Coloured markers

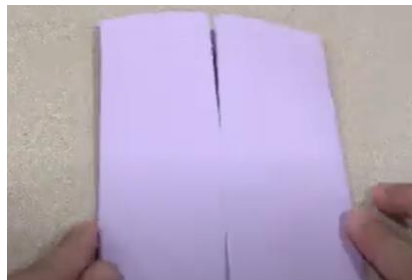

1. Fold the purple construction paper into half.

2. Cut along the crease, making a rectangle.

3. Fold both edges of the paper inwards, towards the centre. This will be the body of the card, so set this aside for later.

4. Take the beige construction paper and fold it into half.

5. Draw a circle, hands and legs to stick on your card. Cut these shapes out.

6. Paste the circle on the body of the card. Then, do the same for the hands and legs.

7. Use a marker and draw on the facial features like the eyes, mouth and nose.

8. Finally, use a marker and decorate the card. Write a message to thank our bus drivers.
