

SPACESUIT UP!

OBJECTIVE

Build Zecky's spacesuit and head to outer space. Let's embark on an adventure that is out of this world!

INSTRUCTIONS

Pop the Body, Head and Legs out along the perforated lines.

Fun Facts

The process of removing a spacesuit is called 'doffing'.

Pop the card out along the perforated lines and keep it as a token!

A spacesuit weighs almost

130kg

without the astronaut in it;

in space, it is weightless!
