

# KNOW YOUR DDC

Know where to find books on your favourite topics

Dewey Decimal Classification (DDC) was developed to categorise non-fiction books in the libraries.

## 000 GENERAL KNOWLEDGE

The place to look for library science and coding books.

## 500 NATURAL SCIENCE

The place to explore: science, math, or a dinosaur.

## 100 PHILOSOPHY AND PSYCHOLOGY

Explains the feelings you have, from happy to grumpy or even sad.

## 600 APPLIED SCIENCE, TECHNOLOGY

Here is where you can get books on robots, cars, and friendly pets.

## 200 RELIGION

This section has religious books to read, if that is what you need.

## 700 ARTS AND RECREATION

Features various reads in drawing, music, and even sports.

## 800 LITERATURE

The place to be for jokes, riddles and poetry.

## 300 SOCIAL SCIENCES & FOLKLORE

Books on occupations and even celebrations.

## 900 GEOGRAPHY, HISTORY AND BIOGRAPHY

Where you can learn about people, places, historical facts and the world's many faces.

## 400 LANGUAGE

Languages abound where books on Korean, Spanish, French and more can be found.

### FUN FACT

This day celebrates the importance of reading and writing.

Know the DDC, read non-fiction books, and learn about the world around you.
