Arahan:

Kuiz bulan ini mendedahkan kisah di sebalik Midan dan Spikey! Ceritanya berakhir apabila Rajah menghantar orang-orangnya untuk menamatkan riwayat Midan. Namun, apakah yang terjadi kepada Spikey, ikan suji todak (atau ikan todak - sila cuba kuiznya untuk trivia) apabila paruhnya tersangkut pada batang pisang? Dia berenang dan cuba bersaing dengan rakan-rakannya. Apabila dia melihat ikan-ikan lain melompat keluar dari air, dia turut serta untuk melihat apa yang sedang berlaku. Tanpa disedari, paruhnya telah terbenam ke dalam sebatang pohon pisang yang tegap, dan dia dikelilingi sorakan terbahak-bahak penduduk kampung.

Bantu Spikey menulis kisahnya! Apakah yang akan anda lakukan untuk membebaskan diri anda dari batang pohon pisang itu? Bolehkah anda menjadi kreatif seperti Midan dan membantu Spikey menyelamatkan dirinya?

Instructions:

This month's quiz revealed the story behind Midan and Spikey! The story ends with the Rajah sending his men to end Midan's life, but what happens to poor Spikey, the swordfish (or garfish - check out the quiz for some fun trivia) with his bill stuck in a banana tree trunk?

He was just swimming along, trying to keep up with his friends. Seeing all the other fish leap up out of the water, he followed suit to find out what was going on. Before he knew it, his bill was lodged into a sturdy banana tree trunk, and he was surrounded by raucous cheers of the villagers.

Help poor Spikey write his side of the story! What would you do to remove yourself from the banana tree trunk? Can you be as creative as Midan and help Spikey escape?

Need some ideas? Use these guiding questions!

- What tool would you use?
- Do you need help from any of the other Bugs from the different Lands?
- Would you delve into the Mysterious Seas for help or venture along the Mystical Mountains?

Bonus: For each part of your story, think about how Spikey might feel! Draw a facial expression to show Spikey's emotions.

Write your story here:
